**Summary** — An aspiring Problem Solver with a strong foundation in mathematics, logic, and over 1 year of hands-on experience in Java. Passionate about developing efficient, reliable, and user-focused web applications.

## Technical Skills

<b>Languages:</b>	Java (Core, Collections, JSP, Servlets, Hibernate ORM), C, C++, SQL, PL/SQL
<b>Databases:</b>	MySQL, PostgreSQL, MongoDB
<b>Web Technologies:</b>	HTML, CSS, JavaScript, REST APIs, MVC Architecture
<b>Core Concepts:</b>	Data Structures, Algorithms, OOP, Multithreading, Debugging, Design Patterns
<b>Tools &amp; Frameworks:</b>	GitHub, Docker, Postman API, Firebase, IntelliJ IDEA, Eclipse, Visual Studio Code
<b>Operating Systems:</b>	Windows, Linux (Ubuntu)

## Professional Experience & Projects

### Online Examination System

*Technologies: Java, JDBC, Servlet, JSP, HTML, CSS, JavaScript, PostgreSQL*

- Developed a web-based examination system with role-based access for Admin, Teacher, and Student.
- Implemented question management, exam evaluation, and result generation modules.
- Used JDBC and Servlets for backend database connectivity and dynamic content rendering.

### Student Management System

*Technologies: Java, JDBC, Servlet, JSP, Bootstrap, PostgreSQL*

- Created a responsive web-based platform for managing student records and CRUD operations.
- Designed relational schema in PostgreSQL ensuring data consistency and security.
- Integrated Servlets and JSP to provide seamless user experience.

## Achievements

- Solved **150+ problems** on LeetCode.
- Earned **5-Star ratings** in C, C++, Java, and SQL on HackerRank.
- Profiles: LeetCode — HackerRank

## Certifications

- **Core Java (J2SE), Advanced Java (J2EE), Hibernate ORM** – Techno Comp Academy
- **C, C++, Python, Data Structures & Algorithms in C** – Techno Comp Academy
- **SQL & PL/SQL (PostgreSQL & MySQL)** – Techno Comp Academy
- **Postman API Fundamentals Student Expert** – Postman
- All certificates: [View Here](#)

## Education

**B.Tech in Information Technology (2023–2027)**  
*JSPM's Rajarshi Shahu College of Engineering, Pune*

**8.22 CGPA**

**Higher Secondary Certificate (HSC)**  
*Shivsai Universal Junior College, Buldhana*

**63.50%**

**Secondary School Certificate (SSC)**  
*Z.P. High School, Maharashtra State Board*

**85.50%**
